

23 June 2006
Lausanne, Switzerland

To Whom It May Concern:

The International Rowing Federation, FISA, confirms that the Polaritas GM Electronic Research, Design and Manufacturing Ltd., Budapest, Hungary provided the Albano cable and buoy system as well as the Automatic Start system for the 2004 Athens Olympic Games.

The Polaritas cable and buoy system and the Automatic Start System conform to all FISA requirements for World level regatta courses.

Sincerely,

A handwritten signature in blue ink that reads "Matt Smith". The signature is written in a cursive, flowing style.

Matt Smith
Executive Director
